Introduction

Biography

Diary of a Madman

IMPACT

Conclusion

IMPACT: Society

- Aims of eliminating Sinocentrism (Wong, 2013)
 - “domesticated” Western text translations to popularize them among society

“Popularize foreign concepts, so as to introduce new Western ways of thinking that could spur internal reforms in a backward China”

- Wong, 2013

E.g. adoption of Nikolai Gogol’s style in “Diary of a Madman”

- Through generations he held on to a reputation of having sharp, critical and judgmental mindset
 - > allowed him to become an incisive observer and commentator

Take over the brush of polemics, struggle to the end, 1975

Introduction

Biography

Diary of a Madman

IMPACT

Conclusion

1949+

Politicians used Lu Xun's name, portrait and writings as a justification for political opposition, this way he associates with political struggles & national movements

IMPACT: Politics

Mao Zedong called Lu Xun:

“the saint of modern China”

His way of thinking, ability to appeal to society through social realism made him an icon, that was used by Communist movements long after his death (Xiaoming, 2013).

Studying the revolutionary spirit of Lu Xun, becomes a pathbreaker in the criticism of Lin Biao and Confucius, 1974
